6. If a member opts to buy more than 1 unit of iPackage, all the units shall be purchased under the same hierarchy.

7. The iUpcode must be defined if the member wishes to place his/her own extra iPackage units or new iMember downlines under any of his own specific iCodes other than his 1st iCode.

10. If a member did not join this plan, the IOC bonus based on the iSV shall be passed over to those uplines who already joined according to the compressed hierarchy. If at any later stage this member joins to this plan, he will get the bonus from his newly joined downlines in his group thereafter.

11. With purchase of one unit of iPackage, iMember will be entitled to redeem **any mix** of DXN products worth the same DP value with the iPackage purchased from DXN US Office at ONE time only.

12. Any redemption of DXN products in this project, the respective product PV will be given for status promotion purpose (to become SA, but **NOT** considered for any monthly qualification, monthly bonus entitlement, Travel Incentive and Hand Phone Cash Incentive as per conditions under existing marketing plan).

13. However, there will be no SV point recognized for any bonus entitlement whatsoever Under the existing Marketing Plan.

14. The product redemption is only allowed in the same country where the iPackage is purchased. Members may have multiple redemption until the total iPackage value has been fully utilized. Products shall be redeemed at ONE time only **within 3 months** from the date of iPackage payment made.

16. Uni-level Bonus payment will be on a monthly basis and profit sharing will be paid once in every six months.

17. DXN reserves the right to change the terms and conditions of the IOC plan any time without prior notice.
